Accreditation:

1<sup>st</sup> evidence is their proposal (not defense)

2<sup>nd</sup> evidence is their leadership project

NCATE evidences are still being worked on. They will be coming in Fall of 2013 and will cover Fall 2011, Spring 2012 and Summer.

**Child Life Courses**

Almost every semester JaneDiane has students show an interest in doing Child Life internships. To do that, they need to have a course (in 2013) that is taught by a child life specialist. She is getting emails from specialists that are interested in teaching. She suggested we do a topics course (3800/6800) that we would offer once a year. It was decided it will be offered in Fall, taught by an adjunct and would have no pre-requisite or permit requirement. Suzanne will speak with Dr. Sherry about adding this course.

**Conference**

Deana shared with us that Vivian will be doing the afternoon keynote for the conference, and that she still needs 20 workshops (10 per day).

**CHFD 6900 Students and Committee Needs**

Vivian handed out an abstract of the Early Childhood Paraprofessional Preservice Professional Development (ECPPPD) Project and a list of research project titles for eight students that need defense committee members.

It was decided that December 2 is the last day to defend and all materials must be submitted to the committee chair by November 15.

### **OSEP Grants and CHFD**

Our OSEP grant did not get funded. Nine grants were funded and we were number ten. Reviews will come in a few weeks and Vivian will give them out to those that want them. Based on those reviews we will resubmit.

ECPPPD is approved, and the first meeting is Thursday.

### **B-K Consortium Meeting Update**

Vivian gave us a brief overview of what she learned at the meeting. The next B-K Consortium is in Greensboro on January 27. The alternate date is February 3.
