

Minutes
Child and Family Development Faculty Meeting
Tuesday, February 1, 2011
2:00 p.m. - 3:00 p.m.
College of Education 344

Attendees: Jamie Brown, Vivian Correa, Deana Deason, Suzanne Lamorey, Sandraluz Lara-Cinisomo, Sue Rebich, Lee Sherry, Pam Shue, JaneDiane Smith

Iredell Cohort

Enrollment is not blooming, it's pretty minimal. No one is really moving into the licensure program recently. As part of Distance Ed we can start another cohort with Iredell County Smart Start in Fall 2011. The facility would be free and we can do it in Mooresville or Statesville. We would offer 2 courses per semester 2 + 2 – this would mean about 20 people joining our program.

Curriculum Courses

5116 (6 credits)
3116 (3 credits)
Family courses (12 credits)
Think about content for other 3 credits

Fall Schedule

6220/6240 - not sure if new M.Ed's will be coming in to take these

To do: separate 5100 and 6102 on the proposed schedule, put 3115 and 5100 together and move to evening

TaskStream

Dane is having another workshop on the 8th. There is a help option on the website also.

New students will be doing TaskStream. Students still doing technology forms need to continue, but should be sure they save it so they do not lose it.

Child Life Council

Child Life Council is getting ready to change their guidelines for 2013. We have an affiliation agreement with hospitals. New guideline: students will need to have at least one course taught by certified child life specialist.

Next Meeting

March 29, 12:30 - 2:00 p.m.
