CHFD Conference

Deana shared that the conference will be going back to two days this year. It will be held on Thursday, March 22 and Friday, March 23. Thursday's keynote will be a presentation on minds of boys and girls, given by Michael Gurian. She asks that everyone think of suggestions for workshop leaders, a luncheon keynote for Friday (ideally a local speaker), and sponsors to help pay for speakers.

Along with sponsors, a registration fee will be asked from vendors in the Lucas Room to help generate money to run the conference. The Dean's office has also given us \$1500.

Because the topic may interest groups outside of child development, a wide-spread invitation will be sent to other majors on campus.

Catalog Review

Suzanne asked that everyone look at all the courses they've taught and compare them to the catalog, making sure the prerequisites, corequisites, and wording are correct in the course descriptions. After she receives the suggested corrections, she will submit another short form.

Stanly Distance Cohort

Suzanne spoke briefly on the Iredell county cohort. The current cohort at Stanly Community College will be graduating in spring and she is planning to recruit more this fall.

CHFD Evidence Based Practices MAT Course

A course outline for 6901 was distributed. Everyone was asked to review it and submit their suggestions.
